HIGH COUNTRY® VS. XPRESS®

The industry asked for it. We delivered. In response to market trends triggered by the recent economic climate, ALCOM LLC has bolstered our Xpress® product offering. Featuring a number of cost-conscious model lines, the Xpress® brand offers consumers all aluminum trailers at price points that rival inferior steel competitors. Combined with an expanded High Country® lineup, you'll now find the ideal trailer to suit your lifestyle, and budget, while leaving "steel" out of the conversation.

XPRESS ADVANTAGE SERIES

The Xpress Advantage Series is packed with hard-to-find features at a fantastic price point. The 100% box tube aluminum construction and 16" o/c wall and ceiling studs throughout make this trailer sturdy yet lightweight. With standard aluminum decking and ramp, and a low profile design, this aluminum trailer is perfect for hauling cars or recreational vehicles. LED lights, radial tires, cast aluminum corners and screwless sides come standard and tons of options are available.

The Xpress Advantage Series is now available in 7-wide models. Ask your dealer for details!

ALL-SPORT CAR HAULER PACKAGE

Our signature "All Sport" package transforms your High Country car hauler into a four-season towing machine. Eliminate the need for multiple trailers by investing in a single unit equipped to do it all. From cars and bikes to sleds and ATVs, you'll discover features that maximize the trailer's efficiency, as if it had been custom built around each specific cargo type. Features include:

- Tandem 5200# Axles
- Front Ramp Door w/ Spring Assist
- White Ceiling
- Drive-Over-Fender Kit

WRAPAROUND RAMP DOOR

Through the introduction of our optional "wrap-around" front ramp door, ALCOM has eliminated the hassle of loading and unloading enclosed snowmobile trailers. Not only does the 72" door opening significantly improve your approach angle in-and-out of the trailer, it sets the benchmark as the widest front door opening in the industry.
